MAYOR'S UPDATE:

I hope this spring edition of Clementime's Newsletter finds you ready to tackle new projects! At City Hall, our staff and City Commission are working on goal setting and budget season. We are doing all the preparation to make sure we are moving the city forward in a positive direction. Look for published dates on the city's website www.mountclemens.gov for both our strategic planning meetings and budget workshops. Members of the public are always welcome to join us.

Have you heard about our Downtown Revitalization Project? In early summer 2024 we will begin construction on the Cherry Street Mall, New Street parking lot and Macomb Place. This large-scale redevelopment promises to be a total transformation of the area. Watch for construction dates, street closures and important information on the city's social media channels as well as our website. Please make sure to continue supporting our downtown businesses throughout construction. A small amount of inconvenience now will pay off for everyone soon.

Spring is an excellent time of year to look around your property to evaluate any potential blight that may have occurred over the winter. To facilitate the spring clean-up our waste removal contractor will begin picking up yard refuse on March 25, 2024. If we all do a little to improve our property, Mount Clemens will shine!

As always, if you have any questions, feel free to contact my office at 586-469-6800 ext. 315 or email me:

COMMUNITY DEVELOPMENT

2024 SIDEWALK REPAIR PROGRAM- DISTRICT 11

The City of Mount Clemens sidewalk repair program was established in 2017 by the City Commission. This program was developed to repair hazardous sidewalks within the public right of way throughout the city. The sidewalk program established ten districts, along with a downtown district, to equally divide sidewalk lengths. To date, districts 1 through 10 have been completed. In the spring of 2024, the sidewalk program will continue in district 11 (see map). Each property owner is responsible for the repair of hazardous sidewalks located adjacent to their property as outlined in City of Mount Clemens Ordinance 10.100- Sidewalks City of Mount Clemens, Michigan.

Below is a list of important dates that you should keep in mind if you own property within district 11:

- On or about 1/22/2024 the city forwarded notices to all affected property owners by US Mail. This notice outlined the two options available to property owners for the replacement of sidewalks. Please carefully review the letter you received - it will explain the benefits and requirements of the two options.
- On or around 3/6/2024 the city's engineering firm, AEW, will begin marking sidewalks. The target date for completion of marking is 3/20/2024.
- 4/17/2024 is the tentative start date for sidewalk repairs by the city's licensed contractor. 6/28/2024 is the expected construction completion date by the City's licensed contractor.
- Property owners can prepay the amount due for their sidewalks and receive a 10% discount on the same. The prepayment window is April 1, 2024 through June 23, 2024. **After April 1st**, owners may contact the City Treasurer's office at (586) 469-6800 ext. 2 to determine the amount due.
- If a property owner does not pay during the prepayment window of 4/1/2024 through 6/23/2024, they will receive an invoice for the completed work in the beginning of August.

COMMUNITY CALENDAR / MARQUEE SIGN

Non-profit events or non-profit organizations may be promoted on the Government Access Channel or on the marquee sign at Cass and Gratiot- go to the City's website: mountclemens.gov/messagerequest and complete the form.

EMAIL & SMS NOTIFICATIONS

Residents who want to stay up to date on what is happening in Mount Clemens are encouraged to sign up for email notifications, SMS notifications, or both. There are two types of notifications- alert and newsletter. Alerts only go out during events like water main breaks, traffic detours, road closures and severe weather. To

sign up for notifications, go to mountclemens.gov/notify and fill out the application form.

SALE NOTICES (APRIL - SEPTEMBER)

Posting sale notices on utility poles violates city ordinances. Our cable staff will post your yard, garage or estate sale notice for FREE on the government

access channel. Go to mountclemens.gov/salenotice and enter the information for your sale. The earlier you make your request, the longer your sale notice will run on the message board. At least two weeks' notice is recommended.

CLERK'S OFFICE

IMPORTANT DATES AND VOTER INFORMATION

STATE PRIMARY ELECTION IS TUESDAY, AUGUST 6, 2024

The next election in the city of Mount Clemens is the state primary election on Tuesday, August 6, 2024. Voting precincts will be open from 7:00 a.m. until 8:00 p.m. on Election Day.

Please call the city clerk's office at 586.469.6800, option #4 for questions about the election.

THREE WAYS TO VOTE

As a Michigan voter, you have options on how you may cast your ballot:

1. **Absentee Voting** – Sign up to be on our new Permanent Absentee Ballot list and you will automatically be sent a **ballot** for every election—no more applications are needed.
2. **Early In-Person Voting** – For every federal and state election, Mount Clemens voters may come to Mount Clemens City Hall and cast their ballot in person beginning the second Saturday before the election and ending the Sunday before the election for nine consecutive days of early voting. Early voting hours are 8:30 a.m. until 4:30 p.m. daily during this nine day period.
3. **In-Person Voting at Precinct on Election Day** – Vote in person at your voting precinct from 7:00 a.m. until 8:00 p.m. on Election Day.

Please contact the city clerk's office at 586.469.6800, option #4, or by email at cmartin@mountclemens.gov for more information.

WE ARE YOUR ELECTION OFFICIALS

Your Mount Clemens city clerk's office is your trusted source for all information regarding Michigan election practices and procedures. Please contact us immediately if you have any questions or concerns regarding the election process.

We are honored to provide you with transparent, professional service while assisting you in exercising your constitutional right to vote.

DID YOU KNOW?

Art in a community can provide numerous benefits to residents. Beyond inspiring creativity and provoking thought, it can also lead to understanding among different cultures and serve as a focal point to bring us all together.

As you drive through the streets of Mount Clemens, you may notice various outdoor sculptures on display at locations on North and Southbound Gratiot as well as Main Street.

The outdoor Mount Clemens Sculpture project began in 2018 and the sculptures are on display thanks to the Macomb Cultural & Economic Partnership (MCEP) in collaboration with the MI Sculpture

Initiative LLC. The program is funded by private sponsorships from businesses and residents in the local area. The sculptures are rotated annually in October. For more information to sponsor the Sculpture Project and other MCEP initiatives, check out their website at www.mcepmacomb.com.

HOLIDAY REFUSE CALENDAR

Good Friday – Friday, March 29, 2024

Garbage pickup will be on schedule during the entire month of March and April.

Memorial Day – Monday, May 27, 2024

There will be NO garbage pickup on Monday, May 27th. Pickup will run one day behind schedule for the entire week beginning Monday, May 27th through Friday, May 31st. Regular garbage pickup will resume on Monday, June 3, 2024.

Independence Day – Thursday, July 4, 2024

There will be NO garbage pickup on Thursday, July 4th. Pickup will run one day behind schedule beginning Thursday, July 4th through Friday, July 5th. Garbage pickup for Monday, July 1st, and Tuesday, July 2nd, and Wednesday July 3rd will be picked up *on schedule*.

YARD WASTE PICKUP IS SCHEDULED TO BEGIN MARCH 25, 2024

A special yard waste collection truck will operate in the City from March 25th through December 6th only.

NO COMPOST OR YARD WASTE WILL BE PICKED UP AFTER DECEMBER 6, 2024.

BEGINNING MARCH 25th, please do one of the three following things to eliminate yard waste:

1. COMPOST YOUR YARD WASTE AT HOME.
2. PLACE ALL COMPOST AT THE CURB IN A 32 GALLON OR SMALLER REFUSE CONTAINER MARKED “COMPOST” OR “YARD WASTE”. THESE CONTAINERS WILL NOT BE EMPTIED IF THEY CONTAIN ANYTHING OTHER THAN YARD WASTE.
3. PLACE YARD WASTE IN LARGE 30-GALLON BROWN PAPER BAGS.

Compost must be placed at the curb for collection with your household refuse by 7 a.m. on your regular pickup day. Yard waste in plastic bags will not be collected. Brush must be cut into four foot lengths and tied in bundles. Bundles must not weigh more than 50 pounds each or measure over 18” in diameter. Large logs over 3” in diameter, as well as stumps or roots, will not be picked up.

We recommend that residents comply with the City’s composting guidelines to help us with our efforts in keeping up with constantly changing environmental standards and still provide efficient and economical refuse collection service within the City of Mount Clemens.

PLEASE REMEMBER, RAKING LEAVES OR GRASS INTO THE STREET IN THE CITY OF MOUNT CLEMENS IS STRICTLY PROHIBITED.

If you should have any questions, please feel free to contact the Department of Public Services at (586) 469-6847.

MOUNT CLEMENS FIRE DEPARTMENT

A MESSAGE FROM FIRE CHIEF REYNOLDS

I wanted to take a moment to share with you some important safety tips that will help keep you and your family safe in 2024.

As we enter the Spring months a few things will no doubt come to everyone's mind: those dreaded Spring-Cleaning chores, and perhaps even worse...the "Springing" forward of our clocks. I cannot help you with either of those, but I can remind you that this is also the ideal time to check your Smoke Detectors and Carbon Monoxide Detectors. NFPA statistics clearly demonstrate that over 60% of home fire fatalities occur where no detectors are present or are not working, and Carbon Monoxide can present serious risk at any time throughout the year.

Early detection is paramount and will help your family stay safe. To protect yourself, your loved ones, and your property, you must have working smoke and carbon monoxide detectors in your home. These inexpensive devices quickly work to alert occupants of danger and dramatically reduce the likelihood of injury/fatality during home fires and/or Carbon Monoxide incidents. Please be sure you have them installed and that they work. A detector without batteries,

or with dead batteries, will **NOT** sound during an emergency. There is only **ONE WAY** to be certain; **Check your Smoke Detector(s) and Carbon Monoxide Detector(s) Batteries as part of your Spring-Cleaning Process.**

The Mount Clemens Fire Department wishes you a beautiful and safe Spring of 2024!

Yours in Life Safety,
Dan Reynolds
Mt. Clemens Fire Chief

Smoke Alarms at Home

SMOKE ALARMS ARE A KEY PART of a home fire escape plan. When there is a fire, smoke spreads fast. Working smoke alarms give you early warning so you can get outside quickly.

SAFETY TIPS

- Install smoke alarms in every bedroom. They should also be outside each sleeping area and on every level of the home. Install alarms in the basement.
- Large homes may need extra smoke alarms.
- It is best to use interconnected smoke alarms. When one smoke alarm sounds, they all sound.
- Test all smoke alarms at least once a month. Press the test button to be sure the alarm is working.
- Current alarms on the market employ different types of technology including multi-sensing, which could include smoke and carbon monoxide combined.
- Today's smoke alarms will be more technologically advanced to respond to a multitude of fire conditions, yet mitigate false alarms.
- A smoke alarm should be on the ceiling or high on a wall. Keep smoke alarms away from the kitchen to reduce false alarms. They should be at least 10 feet (3 meters) from the stove.
- People who are hard-of-hearing or deaf can use special alarms. These alarms have strobe lights and bed shakers.
- Replace all smoke alarms when they are 10 years old.

FACTS

- ❗ A closed door may slow the spread of smoke, heat, and fire.
- ❗ Smoke alarms should be installed inside every sleeping room, outside each separate sleeping area, and on every level. Smoke alarms should be connected so when one sounds, they all sound. Most homes do not have this level of protection.
- ❗ Roughly 3 out of 5 fire deaths happen in homes with no smoke alarms or no working smoke alarms.

CITY COMMISSIONION

AND THE 2024 LOCAL TREASURE AWARD GOES TO...

Former City Commissioner and lifetime Mount Clemens resident, Glenn Voorhess, is this year's recipient of the Local Treasure Award (see nomination below). The award was presented to Glenn at a February city commission meeting by Mayor Pro Tempore Laura Fournier. As is tradition, Glenn will serve as Grand Marshall of this year's Mount Clemens Santa Parade. Thank you, Glenn, for being such a great friend to the City of Mount Clemens!

Glenn Voorhess is a lifelong resident of Mount Clemens. He was born at St. Joseph's Hospital, graduated from Mount Clemens High School, and married his wife, Monica, at St. Peter's Church. Together they raised two daughters in Mount Clemens.

Glenn served the City of Mount Clemens in many roles, including being a City Commissioner, Retirement Board Member, School Board Trustee, and City Finance Director (1998-2002). Glenn

had a 25-year career as a banker with First National Bank of Mount Clemens and he is now serving as the citizen representative on the Retirement Board.

While serving in his multiple roles for the City of Mount Clemens, Glenn's professionalism, experience, and calm demeanor aided him and those he served in making decisions that have positively impacted the citizens of Mount Clemens.

Glenn is very proud of the city he has grown up in and served for many years, and is known for using the phrase, "Once a Bather, always a Bather". For over 20 years Glenn has been the first one in line to pay his property taxes.

Glenn's service and dedication to the City of Mount Clemens is deeply appreciated and his positive mark will be left on the city for many generations to come. ***For all these reasons Glenn Voorhess is a local treasure.***

MEET THE NEW ADDITIONS TO YOUR MOUNT CLEMENS CITY COMMISSION

From left to right: Commissioner Erik Rick, Commissioner Theresa Scruggs McGarity, Commissioner Spencer Calhoun and Mayor Laura Kropp (not pictured: newly elected Commissioner Jill Towner Yore).

Spencer Calhoun has been a resident of Mount Clemens for three years and is currently employed as a labor organizer with the Michigan AFL-CIO. He's focused on promoting economic development throughout the city by attracting new businesses. Spencer is also committed to

supporting the city's neighborhoods by investing in parks, community centers and neighborhood clubs.

Theresa Scruggs McGarity is a lifetime resident of the city and works as a senior office assistant for Macomb Community Action. Theresa has previously served as a Mount Clemens Traffic and Safety commissioner as well as a commissioner for the Housing Commission. One of Theresa's goals is to promote transparency in the decision-making process.

Jill Towner Yore is a lifetime resident of the city and is a director with Henry Ford Health. Her goals as a commissioner include ensuring fiscal and economic stability for the city while working alongside residents to maintain a vibrant downtown and thriving neighborhoods.

DEPARTING COMMISSIONER RON CAMPBELL

The city of Mount Clemens would like to thank former city commissioner Ron Campbell for a job well done. His longtime service to the city as a commissioner

since 2007 ended this past November. Ron's presence at commission meetings will be missed and his many years of service have been greatly appreciated. Ron, who is a lifelong resident of Mount Clemens, made it a priority during his years as a city commissioner to engage with the residents and identify ways to improve the city by making it cleaner and safer for residents and businesses. Thank you, Ron, for your commitment to public service and to the City of Mount Clemens!

REDISTRIBUTION OF HAPPINESS

Lowell Joerg is a resident of Stockton, California. At 95 years old, he's made quite a name for himself on the internet. He has spent the last 30 years of his life "redistributing happiness" by purchasing antique postcards and sending them back to their original locations with a letter attached. Some of the recipients of his random kindness respond and thank him, which in turn makes him happy knowing that he is "redistributing happiness". As you can imagine, many of the antique postcards he has found are unique and some are very vintage. Mayor Kropp is a recent recipient of a little of Lowell's happiness. He mailed her a postcard of the Mount Clemens

Court House Square that is postmarked in 1910 (see Lowell's letter to Mayor Kropp and his vintage postcard of Mount Clemens below). Being 95 years old prevents Lowell from browsing stores for postcards as much as he used to, but if you Google his name, you can quickly find out how to help him continue to

make others happy through Operation Postcard and his "Redistribution of Happiness" adventure. Thanks Lowell, for bringing smiles and happiness to so many! (watch for Mayor Kropp's response to Lowell in the next issue of the Clementines).

Ms Laura Kropp
Mayor of Mt Clemens
One Crocker Blvd.
Mount Clemens MI 48043

Good Morning:

Sometime ago I was at an antique store and found this circa 1910 picture card of your beautiful Courthouse Square. Lots of changes, I bet. How it made its way to California we'll never know.

At any rate, I hope it brightens your day.

I said to myself, "By golly, I think I'll send it back where it can be appreciated. Heritage is important. Enlarged and posted up it will start a nice conversation.

Well, I gave 6.00 for it so if you want it for 7.00 or 8.00 it would really be appreciated. Toss in a little postage if you want, too.

My dear wife, now passed, used to laugh at me and say, "if you hear from those folks you'll have to take me to lunch."

Last June 26th I celebrated my ninety-fifth birthday. I don't know where all that time went but I'm still going strong "as far as I know."

I like to call my little hobby a "RE-DISTRIBUTION OF HAPPINESS." Our world sure needs it.

Here's wishing you and your staff a Happy New Year!

Lowell Joerg

PS: My daughter says you should check me out on GOOGLE.
PS: Send along something about yourselves. I love a souvenir.

JOIN US IN BUILDING A BRIGHTER FUTURE: SUPPORT NEEDED FOR OUR NEW NONPROFIT

This is Jennifer and Nicole from TrueLife Academy, we are a nonprofit that serves adult individuals with developmental and physical disabilities. Our overall plan is to develop a day program and residential program in Macomb County, Michigan. We wanted to update you on what we have been up to. We are currently hosting Wednesday Socials once a month in partnership with Macomb Township Parks and Recreation. This includes events such as pizza and bingo, crafts, dances, and many other activities. As we look ahead this year, we plan on hosting Life Skills workshops. More to come on that, so please refer to our website and facebook page for more information.

As TrueLife Academy embarks on this exciting journey, we are seeking support to help us spread the word and secure the necessary resources to make a meaningful impact. As a fledgling nonprofit, we recognize the importance of building a strong foundation, and we believe that with your help, we can achieve great things.

Here are a few important ways you can support us at this crucial stage:

Spread the Word: Share our mission with your network, colleagues, and friends. Follow us on social media and help amplify our message to reach a wider audience.

Donate: Your generous contributions will enable us to fund essential programs, cover operational costs, and make a lasting impact in the lives of those we aim to serve. No donation is too small, and every contribution makes a difference.

TRUELIFE
ACADEMY

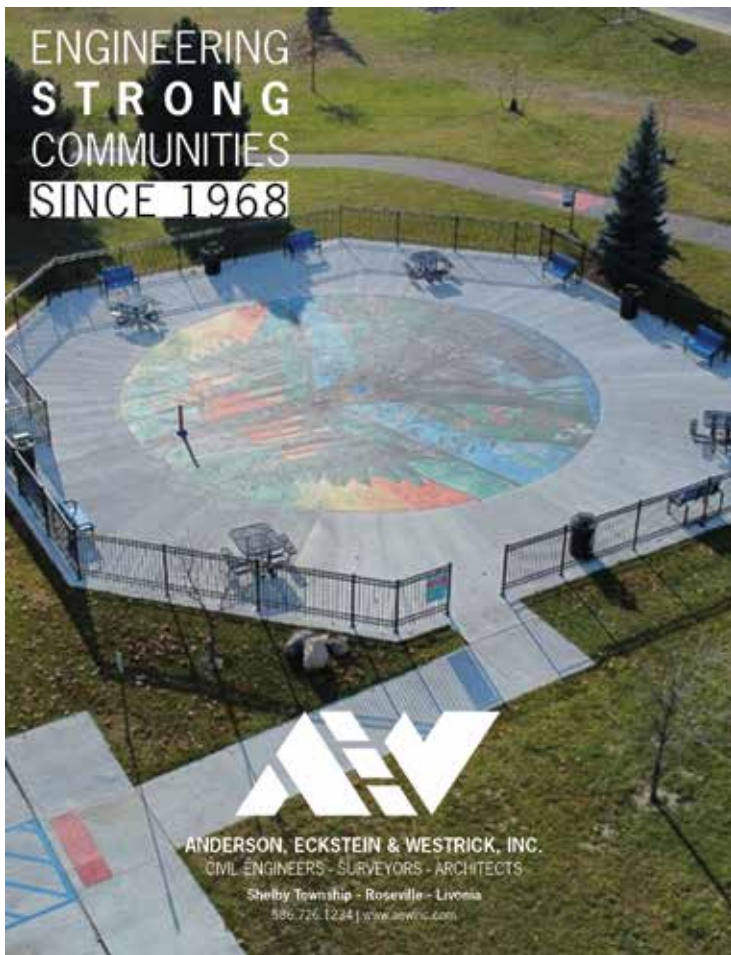

Volunteer: If you have time and skills to spare, we welcome volunteers who can help us with various tasks and initiatives.

We appreciate your consideration and look forward to the possibility of working together to create positive change. Thank you for supporting our vision and helping us make a difference in the lives of those we serve.

To learn more about TrueLife Academy and how you can get involved, please visit our website at www.truelifeacademyinc.org or on our facebook page at <https://www.facebook.com/truelifeacademyinc>.

IT SHOULDN'T HURT TO BE A CHILD

At Care House, we know that talking about child sexual abuse is difficult. Unfortunately, that is a big part of the problem. We cannot wish away child sexual abuse or pretend that it does not exist. The reality is that at least **one in ten children** will become victims of sexual abuse before

they turn eighteen. Almost three kids in every Michigan classroom and over twenty thousand of all the children right here in Macomb County today are living with the trauma of sexual abuse.

These numbers are surely much higher than our best estimates because most children never tell. Sadly, living with sexual abuse is a reality for children of every race, gender, and economic status. Care House has coordinated over 10,500 forensic interviews and provided services to over 13,000 families since our opening in 1996, all at no cost to the families we serve.

To learn more about how you can help to keep kids safe from abuse, visit our website at www.mccarehouse.org or call us at 586.463.0123. **It shouldn't hurt to be a child.**

The market in City of Mount Clemens remains strong with continued low sales as the result of low inventory. This trend does appear to be reversing as the year-over-year figures suggest. Please note that with small amounts of data, average sale price is likely to fluctuate, noticeably, and is a less reliable indicator than Days on Market.

¹The Absorption Rate is the rate of home sales taken by dividing the number of sales by the inventory. Above 18.3% is considered a seller's market.

UNDERSTANDING THE NUMBERS

¹An absorption rate between 15.4% and 18.3% is considered a market in balance. Higher favors sellers, lower favors buyers..

Consumers appear to have adjusted to rates where they are, using adjustable-rate mortgages as a short-term measure, expecting to refinance should lower rates appear. While rates remain volatile, purchasing now vs. a year from now will only see buyers paying more for homes.

Understanding the numbers:

Average Sale Price – Okay: While averages are lower in Q4 2023, this is most likely based on the mix of homes sold, and the motivation of the seller. If an investor, for example, as rates increased in Q4, they sold inventory to lock in profits. Furthermore, on a market of rising rates, investors are more flexible when negotiating than owners who need the equity to purchase a new place to live.

Days on Market (DOM) – Healthy: A DOM of under 30 days indicates there is strong buyer interest, but there is also some opportunity for buyers not to be rushed.

Inventory – Neutral: Up quarter over quarter, down year over year. More is better, with declining interest rates sales should increase.

Absorption Rate – Seller's market: Buyers need to remain aggressive when they find a home they really want. An absorption rate at these levels means the market is very competitive from a buyer's perspective.

SUSIE Q'S KIDS HONORED

Susie Q's Kids was honored to be awarded as the Top-Rated Nonprofit for the third year by Great Nonprofits and received the 2023 Best of MichBusiness Nonprofit Beacon Award by Corp Magazine.

Check out the article in Corp Magazine
<http://print.corpmagazine.com/publication/?m=9655&i=809943&p=52&ver=html5>

Susie Q's Kids had a dream goal at its inception to help and comfort 10,000 kids. Last year, they surpassed

their goal and have helped engage many "Kids in Helping Kids", spread the "Power of Positivity and It's OK not to be OK", and comforted "Kids in Need" through their comfort bag program. The bags are distributed by local nonprofits they support, such as kids in hospitals, hospice, shelters, foster care, grieving centers, autism centers, advocacy centers, camps, and school – wherever a kid is in need. Our local churches, schools, service organizations, nonprofits and kids have been touched by Susie Q's Kids.
